“Living the Gospel by maximizing the impact of your donation”

Administered by St. Elizabeth HealthCare, the Shared Services Initiative is supporting other ShareLife-funded agencies in the areas of human resources, financial services and information technology. Participating agencies report that they are able to improve the quality, competency and accuracy of their work. Through this initiative, ShareLife-funded agencies are ensuring the maximum amount received is directed to the front-line service they provide.

Next Sunday, May 27, is ShareLife Sunday. Please give generously.
