### **VATICAN PRESENTS HOLY SEE'S 1ST DOCUMENT ON SPORT**

#### ***To Give the Best of Oneself. On the Christian Perspective of Sport and of the Human Person'***

On June 1, 2018 the Dicastery for the Laity, the Family and Life published a new document entitled "To Give the Best of Oneself. On the Christian Perspective of Sport and of the Human Person." This marks the first document of the Holy See on sport.

The document is divided into five chapters: Chapter 1: the relationship between the Church and sport; Chapters 2 & 3: a description of the sporting phenomenon with a close look at the human person; Chapter 4: some of today's challenges that sport must face; Chapter 5: the Church and the pastoral approach to sport.

It is not by chance that the Holy Father, in the message that accompanies this Document, the Cardinal said, writes that "sports can be an instrument of encounter, formation, mission, and sanctification".
