Pope Francis' 2020 World Peace Day Message:

PEACE, AS A JOURNEY OF HOPE:

DIALOGUE, RECONCILIATION AND ECOLOGICAL CONVERSION

1. *Peace, a journey of hope in the face of obstacles and trial*
2. *Peace, a journey of listening based on memory, solidarity and fraternity*
3. *Peace, a journey of reconciliation in fraternal communion*
4. *Peace, a journey of ecological conversion*
5. *"We obtain all that we hope for"*

The grace of God our Father is bestowed as unconditional love. Having received his forgiveness in Christ, we can set out to offer that peace to the men and women of our time. Day by day, the Holy Spirit prompts in us ways of thinking and speaking that can make us artisans of justice and peace. May the God of peace bless us and come to our aid. May Mary, Mother of the Prince of Peace and Mother of all the peoples of the earth, accompany and sustain us at every step of our journey of reconciliation. And may all men and women who come into this world experience a life of peace and develop fully the promise of life and love dwelling in their heart.
