Feast Day of St. Padre Pio

September 23, 2020

St. Padre Pio was an Italian priest who was known for his piety and charity, as well as the gift of the stigmata, which has never been explained. St. Padre Pio was born Francesco Forgione, on May 25, 1887, in Pietrelcina, Italy. His parents were peasant farmers. He had an older brother and three younger sisters, as well as two other siblings who died at infancy. As a child, he was very religious and by the age of five he reportedly made the decision to dedicate his life to God. From a tender age, Francisco had a peculiar ability. He could see guardian angels, spoke with Jesus and the Virgin Mary. This was not something taught to him, but occurred so naturally that he assumed other people could see them too. Padre Pio became internationally famous. He was known for his piety, charity and the quality of his preaching. He famously advised, "Pray, hope and don't worry."

Let us pray to Padre Pio in our times of need

Dear God, You generously blessed Your servant,

St. Pio of Pietrelcina,
with the gifts of the Spirit.

You marked his body with the five wounds of Christ Crucified, as a powerful witness to the saving Passion and Death of Your Son.

Endowed with the gift of discernment, St. Pio labored endlessly in the confessional for the salvation of souls.

With reverence and intense devotion in the celebration of Mass, he invited countless men and women to a greater union with Jesus Christ

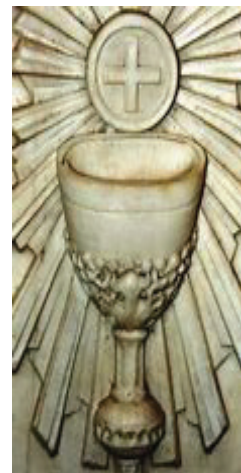

in the Sacrament of the Holy Eucharist. Through the intercession of St. Pio of Pietrelcina, I confidently beseech You to grant me the grace of (here state your petition).

Glory be to the Father... (three times). Amen
