THIS WEEK IN ST. THOMAS AQUINAS PARISH

ABRIDGED MISSION APPEAL FROM FR. JOSE MANJAKUNNEL (ARCHDIOCESE OF IMPHAL IN INDIA)

The Mission Archdiocese Imphal, comprising the entire state of Manipur in Northeast India is a home of 34 indigenous tribes was erected in 1980. Since the first baptism in 1952, the Catholic population has grown to 1,01,238 with 52 parishes and 174 priests including 114 native priests. As part of our Social commitment to the poor and needy, the diocese is launching a special grass-root level Rural Community Health Workers Training Program in the tribal villages of Manipur State. This proposed 10-month program is designed to train village health workers who will serve some of the most vulnerable and remote communities where access to medical care and clean drinking water remains limited. Through this mission, trained health workers will help educate rural families about the prevention and treatment of diseases such as malaria, viral fever, tuberculosis, typhoid, pneumonia, polio, and other waterborne illnesses. Along with health awareness programs, rural medical camps will also be organized with the help of Catholic Medical Hospital, Imphal to provide basic treatment and care to those who otherwise have little or no medical assistance. Thank you for your prayers and support. May God bless you in all your endeavors. Amen.
